DM Serif Display

- Headers only - Small headers in some occasions in static pages
- Never use for numbers
- Avoid using it for cards
- Mainly used for stylistic choices in the pages
- Weights used - Regular

Proxima Nova

- Large copy
- Used in car cards to avoid distracting from the car images
- Weights used - Regular - copy
 - Bold
 - Semibold
 - Light

Proxima Nova Condensed

- Sub-headers
- Used in car cards - under model
- Weights used - Light - Sub-headers to large headers
 - Regular - Sub-headers to meadium headers
